WAIKARI SCHOOL NEWS – PRINCIPAL

Kia ora everyone,

Today at Iffley Farm, we held our 2012 full-school cross country. Our student's have been training for four weeks and gave a great display of their talents in today's race. Next week on the same course, we host the other schools within the Hurunui Sports Cluster for our zone cross country. Many thanks to both Scott Hassall and the McGrath family for allowing us to hold the event at such a wonderful venue. Also a nui paki paki to Miss Gorman who organised this successful event.

Last week, we held our school Book Fair in the library. Thank you to all who purchased books! We raised approximately \$260 worth of free books for our school library. It was very well organised by Lisa White and our student's.

Our Year 7 and 8 students' have begun manual training at Hurunui College. The focus this term is: designing / making timepieces and cooking.

All of our student's were involved in the Life Education programme this week. Harold the giraffe also came and supplied the children with healthy drinks. The school-wide focus for Life Education during this visit was: *Social Relationships*.

I would like to again remind everybody that as we begin to move into the colder months there is a lot of sickness around. If your child/ren displays symptoms please refrain from sending them to school. This helps us to limit the spread around the rest of our students and staff.

Ka kite ano

Andrew Kemp
Principal
